

Wine tasting at J B Parker's

All our tastings come with a selection of our Artisan cheese & charcuterie platters. Tastings last about 90-120 minutes, but curious groups might take even longer. The tasting area will be yours for the night, so you can stay behind and try even more interesting wines from our massive wine list. We require a minimum of 4 guests for our normal wine tasting packages and we serve a bottle of each wine for every 8 guests. The maximum number of guests is 32. All wines in the packages are only meant as guides. Selection on the night might be very different. If you wish to try a specific wine, please let us know at the time of booking. To book, please email reservations@jbparkers.com.

Wine pairing dinner £85pp

3 courses & 4 wines

Our wine pairing dinners have been hugely popular in their first year, with a lot of great feedback, helping us evolve the idea even further. We will serve you a different wine with each course, perfectly paired with each course even ending with a sticky wine at the end. We will decide on the menu together, but the wines will be a surprise for you. You will be guided through each course by our wine expert explaining each wine in great detail.

Buen Vino Social Club is a new project, and it came from the idea of opening our wine tastings to even more people, since our wine tastings require minimum 4 people. The idea is for wine-curious aficionados of all (legal) ages to bond and learn over beautiful wines, hosted by our sommelier. We have a different theme every month, from same country, same grape variety to comparisons between regions and grapes and of course trying new, exciting, and rare wines. The maximum number of guests will be 8, so when it's full - it's full. We want to keep it small, so everyone can get the most out of it. The cost will always be £45pp regardless of the wines chosen, even when we try some more premium examples. Follow our social media profiles @jbparkers for information on dates or email us directly on reservations@jbparkers.com to book.
